### Research Advisory Committee on Gulf War Veterans' Illnesses

#### Notice of Meeting

The Department of Veterans Affairs (VA) gives notice under the Federal Advisory Committee Act, 5 U.S.C. App. 2 that the Research Advisory Committee on Gulf War Veterans' Illnesses will meet on June 23, 2015, in Washington, DC. The meeting will be held in room 230, 810 Vermont Avenue, NW, Washington, DC, from 9:00 am until 5:30 pm. All sessions will be open to the public. Interested persons who cannot attend the meeting may use this toll-free telephone number (800) 767-1750; access code 56978# to listen to the meeting.

The purpose of the Committee is to provide advice and make recommendations to the Secretary of Veterans Affairs on proposed research studies, research plans, and research strategies relating to the health consequences of military service in the Southwest Asia Theater of operations during the Gulf War in 1990-1991.

The Committee will review VA program activities related to Gulf War Veterans' Illnesses, and receive updates on relevant scientific research published since the last Committee meeting. Presentations will include updates on the VA Gulf War Research Program, followed by research presentations describing treatments and treatment research involving Gulf War Veterans. There will also be a discussion of Committee business and activities.

The meeting will include time reserved for public comments in the afternoon. A sign-up sheet for 5-minute comments will be available at the meeting. Individuals who wish to address the Committee may submit a 1-2 page summary of their comments for inclusion in the official meeting record. Members of the public may also submit written statements for the Committee's review to Dr. Roberta White at [rwhite@bu.edu](mailto:rwhite@bu.edu).

Because the meeting is being held in a Government building, a photo I.D. must be presented as part of the clearance process; therefore, any person attending should allow an additional 15 minutes before the meeting begins. Any member of the public seeking additional information should contact Dr. White, Scientific Director, at (617) 638-4620 or Dr. Victor Kalasinsky, Designated Federal Officer, at (202) 443-5682.

Date: May 19, 2015
